MAKING YOUR VOICE HEARD

Who we are

We are a collective group of parents passionate about driving positive change, we have come together to rebuild a Parent Carer Forum. Our aim is to be a true representation of the voices of parent carers of children with additional needs and disabilities. We strive to have a positive impact on the planning and provision of services, and decision making for the families of North East Lincolnshire- now, and in the future.

Our aim

NELPCF is a brand new opportunity for having your say and bringing about change and improvement for children and young people with SEND. Led by parents, for parents, passionate about making a difference, we aim to make the voices of parents just like us, heard, right where it matters. We believe in co-production and working closely with the Local Authority, Services and Professionals that support our children. We aim to gather the experiences- good and bad- of families of children and young people with Special Educational Needs and Disabilities, living in North East Lincolnshire.

What we want from you

You have the opportunity to be as involved, or arms length, as suits you. We welcome you to join us for an informal chat about your experiences and changes you would like to see, and we'll do our best to make that happen. If you want to be more involved just let us know! By working together, we strengthen our message- 'nothing about us, without us'.
