This week we are writing poems.

Give me 5! Vocabulary

nature natural

created native habitat

Can you find out their
meaning? Can you use
them in a sentence?

Science- I add Science
experiments, usually 2 or
3 a week, on Dojo.

Nature is all around us but do we always really see it? Week beg 6.7.20

The Wider Curriculum Here are some activities linked to our learning this week to complete. Try to
complete at least three in a week.

1. **Science** – Find out about a natural phenomenon eg: rainbows, snow, icicles,
wind, tornadoes, hurricanes, wind, rain.
2. **Geography** – Find out about a habitat
3. **Music** – Find out about the composer Vivaldi's music called The Four Seasons.
Can you compose your own?
4. **Science** – Can you make a bird-feeder? What birds can you see?
5. **Art** – Can you make a twig decoration? Can you a star?
Can you make a dream-catcher? Here is an example but
use your imagination
with shapes etc.
6. Go on a leaf hunt. What is this tree? Use leaves to identify the
type is it?

Spelling - Ideas to learn them...

Other things to try...

Remember to continue to be active every
day. Try an activity from the Sports Day
pack.

*Remember to keep a healthy mind.
Have you got a relative who lives
alone? Ask a parent if you can call
them for a chat! You will make their
day!*

Try something new - This week why not
learn how to sketch! There are lots of
tutorials on the internet. Google – simple
sketches.

WRITING competition– Remember we are
still collecting one piece of beautiful writing
a week.
