Dear Parent/ Carers

### **For children in school from 23<sup>rd</sup> March**

Firstly, thank you for your understanding in these uncertain and challenging times. From Monday, we will be providing care for a limited number of children and therefore arrangements will be significantly different.

- School will be open 8:30am to 4:00pm

Staff are busy preparing activities for the children. These will be different to their normal curriculum offer but will include reading, writing and maths activities as well as other projects.

Children are still expected to wear their school uniform.

For health and safety reasons, no food prepared at home will be permitted. All children attending school between 23 March and 3 April will be provided with a grab bag meal free of charge. The children do not need to bring a water bottle, drinks will be provided throughout the day.

The school office will remain open should you have any queries, please do not hesitate to contact us in the usual manner.

All children should enter and leave the school via the main office.

We will continue to follow advice from Public Health England regarding symptoms of the Coronavirus, please ensure your contact details are up to date with the office. Please inform the office if there is a confirmed case of the virus in your immediate family.

Thanks again for your understanding and support. See you next week.

Yours sincerely

Mrs R Simpson
