Dear Parent/ Carers

Firstly, thank you for your understanding in these uncertain and challenging times. From Monday, we will be closed to almost all of our children until further notice.

Our office will continue to be open and if you need to contact us, this can be done in the usual manner. Teachers can be contacted via email and their email addresses can be found in their learning packs. We endeavour to stay in touch as much as possible. Our office staff have been incredibly busy this week responding to rapidly changing events, please bear with us!

**Please ensure that children are not mixing socially during their time away from school in a way that can continue to spread the virus. It is essential that we minimise contact over the coming weeks to give the country a better chance of controlling the virus.**

If your child is eligible for free school meals (this does not include universal free school meals for reception and key stage one) the office will be in contact with you next week.

We wish you all the best over the coming weeks, stay safe and well. We look forward to welcoming you all back in the not so distant future.

Thanks again for your continued support.

Yours sincerely

Mrs R Simpson
