Prediction Activity

Place each clue in an envelope with the clue number on the front.

1

They were hit by a violent storm, a storm that would change Koepcke's life forever.

2

Walking through shallow water can be safer than walking on land.

3

She was young, alone and hurt.

4

The temperature will drop at nightfall so it is best to find warmth and shelter.

5

One mistake could have severe consequences.

6

...her body was hurt from the seemingly countless number of insects that had bitten and stung her fragile skin.

7

Koepcke was somehow flung from the aircraft, leaving her mother behind, and hurtled towards the rainforest below.
