The Wider Curriculum

For the next few weeks, all our learning will be about the book [‘Augustus and his Smile’](#). This is a picture book, which the children can listen to / watch on YouTube. Here are some activities to complete.

- Choose one illustration from Augustus and his smile. Can you recreate it but with a different animal?
- Can you find three new amazing facts about tigers? Send them to me on Class Dojo
- Look at Henri Rousseau's 'Tiger in a tropical storm' artwork. Try to replicate the picture; you could use collage, crayons, paint or anything else you can find!
- Can you build a model of a tiger – you can use any material e.g. lego, boxes, natural materials
- Create an origami paper tiger. There are lots of Youtube clips to look at.
