

Maths

Daily

5 Minute Maths

White Rose Daily Lesson
(available on BBC bitesize
website)

Spend time on Maths Shed and
TTRockstars!

Reading

Daily

Read for at least 15
minutes a day. This could
be a book from home,
Oxford Owl, magazine or
a comic. Try some of the
60 second read
questions!

Writing

This week the writing challenge is...

*Write a report explaining how
plastic pollution is terrible for
our environment.*

Don't forget to use time words and your
best joined up handwriting!

Vocabulary

We will learn at least 5 new
words a week. This week the
words are...

*astonished,
devastated, ghastly,
ruined, precious*

Can you use them in a
sentence?

Week 5: 6th July – Our whole school focus is the environment!

The Wider Curriculum

Here are some activities to complete. Try to complete at least three in a week.

Science- learn about recycling on BBC bitesize :

<https://www.bbc.co.uk/bitesize/topics/zrsgk7/articles/z9w26sg>

History- find out how your local area has changed in the last 100 years. What's different, what's stayed the same?

Geography/PSHE- Think of one way that you can improve your local area. Can you draw the improvement you would make and write about it?

Art- look online at some of the art made from recycled materials. Could you create your own art with materials found on the beach or materials you are throwing away?

PSHE- make a poster discouraging people from littering. How will you persuade them to take their litter home?

Spelling

This week our
spellings are

*November,
December,
after, past,
hour, half,
minute,
quarter, month,
second*

Other things to try...

Remember to continue to be active
every day. Join in the MPA virtual
sports day and don't forget to send in
your pictures!

Try something new. Could you learn
some origami to make something
you've never made before?

Don't forget to keep a healthy mind.
Can you make a positive change to
your environment?
