

# Learning at Home: Tips For Middlethorpe Children

## Remember your 5 Ts

Think – Remember what you already know.

Try – Just have a go! Sometimes having a go helps us to remember something.

Tools – Is there anything that could help you? Would a dictionary help your spelling? Do you have anything you could use as counters?

Talk – Ask someone at home for help.

Teacher – Comment on the class story or create a Class Dojo Portfolio Journal to ask for help.

## Be kind on yourself

Remember we all make mistakes and find somethings hard sometimes. We don't expect you to get everything right.

## Take pride in your work

Remember we create beautiful work – Don't forget to take care in your handwriting if you are writing on paper.

Remember we have high expectations of ourselves.

Remember we have high aspirations for ourselves.

## Take responsibility for your learning

Remember we manage our distractions when we are learning.

Remember we make sure we are ready to learn.

Remember we make sure we regulate our own behaviour.

Remember we own our mistakes.

Remember we complete the tasks that are asked of us.
