The moon glowed <u>like</u>
Raindrops dripped down the window pane like
Smoke floated on the air <u>like</u>
The air smells as fresh <u>as</u>
The rose petals are as delicate <u>as</u>
The surface of the water is as smooth <u>as</u>
The icicles pointed downwards <u>like</u>
Dewdrops glistened on the flowers like
The fog covered the city <u>like</u>
The clouds are as fluffy <u>as</u>
The girl sings as sweetly <u>as</u>
The traffic moved as slowly <u>as</u>
The crows cackled <u>like</u>
The children scuttled across the beach <u>like</u>
The road wound its way up the mountain like
The sea sand lay across the path <u>like</u>
The water streamed down like
Snow drifted to the earth <u>like</u>
Clumps of snow stuck to the branches <u>like</u>
Her angry words spewed out like
The rain tapped on the roof as steadily <u>as</u>
The wind rushed through the house like
