

WANT TO KNOW MORE ABOUT NELPCF?

BACK TO BASICS:

The world of SEND (Special Educational Needs and Disabilities) can be a minefield of acronyms and terminology. NELPCF (North East Lincolnshire Parent Carer Forum) aim to make things more accessible and inclusive for all. We are a passionate group of parent carers of children with a range of needs and disabilities. We champion support and strive for positive change for SEND children and their families in North East Lincolnshire

WHAT WE DO:

- A Parent Carer Forum is independent of the LA (Local Authority)
- We gather the experiences of parent carers and inform the LA of these; what's working in our area and what's not
- We have regular meetings with the LA and are involved in working groups related to SEND for NE Lincolnshire
- We hold our own regular Coffee Mornings along with attending Coffee Mornings and events at schools and Family Hubs
- We have arranged free events for SEND families, along with training, virtually and face to face, for parent carers -enabling parent carers to gain knowledge and to feel empowered

WHAT WE CAN'T DO:

A Parent Carer Forum cannot provide individual advice and support (although we can signpost you to relevant services and support)

GET INVOLVED:

If you are a parent carer of a child or young person with SEND aged 0-25 and you live in North East Lincolnshire, you can become a member of NELPCF. Membership is easy: join our Members Group on Facebook or email us for more information on how you can become further involved

GET IN TOUCH:

We are based at Centre4, where we hold our fortnightly Coffee Mornings. As we are all parent carer volunteers, with our own families, we are only at our base during limited hours.
