We want to start by saying how lovely it was to see so many of you at our various events last half term. It really means a lot to have you back through our doors. We hope to continue to connect with you over the next 6 weeks. The half term ahead is another busy one with lots of trips planned. We are currently busy organising the Summer Fete which will hopefully carry on the spirit of our Jubilee picnic!

Nursery

Places available September 2022

Middlethorpe Nursery is part of Middlethorpe Primary Academy. Our nursery is run by experienced Early Years professionals and we offer children a safe caring environment, where they are able to progress socially and emotionally, and we nurture a life-long love of learning. We have 2 year old and 3 year old funded and paid places available. To register your interest please contact the school or call at the main office. If you know anyone who would be interested in this provision feel free to pass this information on to them

Keeping our children safe: Bicycles and Dogs

As summer arrives, we are very aware that more children will be riding their bikes to and from school. We would like to take this opportunity to remind all, that bikes and scooters should be dismounted on entry through the front gates and mounted on the pavement on leaving. This is for the safety of all, especially during our busy periods.

We recognise that dogs are an important part of family life for many in our school community, and are often included in day-to-day activities such as walking children to and from school. However, others may find their presence stressful, even frightening particularly with younger children, and even well-behaved dogs can behave unpredictably when placed in a busy, noisy and crowded environment. We therefore respectfully request that dogs are kept outside the school grounds.

AIC Vacancy

The Enquire Learning Trust are seeking to appoint both parent and community representatives for their local Academy Improvement Committees. These committees are key to the Trust's governance structure and in supporting the academies locally. If you are interested in this role please visit <https://www.enquirelearningtrust.org/job-vacancies>

End Of Year

As we approach the end of this academic year we begin to plan for meeting the new teacher and reports.

Meet the new teacher

Your children will spend all Thursday and Friday (7th and 8th July) with their new teacher. On Thursday 7th July you will collect your children from their new classrooms. We will keep the doors open between 3:30 and 4:30. This will give you opportunity to come into the building to collect your child, see their new classroom, and meet the team that will be educating your children next year.

End of year reports

Reports will be issued on Friday 15th July. If you would then like to discuss anything we ask you to contact the office. Messages will be passed on to the class teacher who will contact you the following week.
