

Week beginning 15.6.20 - Tigers Reading Comprehension GROUP 1

MONDAY Day 1

Reading Fluency

Read the text yourself and then get someone to read it with you. Echo reading – the first person reads a sentence and the next person reads the same sentence.

Continue through the text.

Discuss the text and any words that you did not understand.

TUESDAY Day 2 – Vocabulary

1. Write what you think the following words mean OR write them in a sentence.

distinctive

declined

stealthy

pounce

habitat

2. What other words could the author have used instead of fatal?

WEDNESDAY Day 3– Retrieval

1. Name the species of tigers that are now extinct?
2. According to the text, how do tigers kill their prey?
3. The population of tigers is declining. True or False?
4. Do cats like water? Use evidence from the text to explain your answer.
5. Name two things that a tiger might eat.

Remember to answer each question in a complete sentence using words from the question to help you.

THURSDAY Day 4 – Mixed Questions

1. What does the sentence ‘every tiger is unique – no two tigers have the same pattern of stripes’ tell us about tigers?
2. Why are there so few tigers in the wild now?
3. “Tigers are solitary hunters, and generally search for food alone at night.” What do you think the word ‘solitary’ means?
4. In the paragraph, “What do tigers prey on?” find and copy one word which is a synonym for ‘deadly’
5. True or false?

	TRUE	FALSE
Every tiger is unique.		
Tigers live all over the world.		
Siberian tigers are now extinct.		
Tigers are excellent at jumping.		
A young elephant could feed a tiger for up to a week.		

Friday Day 5 – Research

What else can you find out about tigers? Find and write down 5 things.
