

Week beginning 15.6.20 - Tigers Reading Comprehension GROUP 2

MONDAY Day 1

Reading Fluency

Read the text yourself and then get someone to read it with you. Echo reading – the first person reads a sentence and the next person reads the same sentence.

Continue through the text.

Discuss the text and any words that you did not understand.

TUESDAY Day 2 – Vocabulary

1. Write what you think the following words mean OR write them in a sentence.

stealthy

pounce

habitat

2. What other words could the author have used instead of habitat?

WEDNESDAY Day 3– Retrieval

1. How many tigers are left in the wild? (a number is needed)
2. How do tigers kill their prey?
3. The population of tigers is dropping (declining). True or False?
4. Name two things that a tiger eats.

Remember to answer each question in a complete sentence using words from the question to help you.

THURSDAY Day 4 – Mixed Questions

1. Why are there so few tigers in the wild now?
2. True or false?

| | TRUE | FALSE |
|---|------|-------|
| Every tiger is unique. | | |
| Tigers live all over the world. | | |
| Siberian tigers are now extinct. | | |
| Tigers are excellent at jumping. | | |
| A young elephant could feed a tiger for up to a week. | | |

Friday Day 5 – Research

What else can you find out about tigers? Find and write down 5 things.
