Remember to continue to be active every day. There are some great online activities including Joe Wicks Daily Work out and Cosmic Yoga but being out in the garden is perfect too.

This week try a bit of Spanish! See the sheet on ClassDojo or on the website: numbers to 10. See our class Dojo page.

Remember to keep a healthy mind. This week try talking about what you've done during the day, what you enjoyed and how you're feeling. Make a daily feelings chart.

Try something new. Here is a suggestion...make a den (inside or out). Perhaps make it in the style of a type of transport like a bus or a rocket!
