

Welcome to Bluebell Class Year 1

I hope Bluebell Class children have had a lovely half term and are looking forward to learning lots of new things this term. As you know, our knowledge based curriculum places powerful knowledge at its heart. The content has been chosen and carefully sequenced to build on prior learning. Each half term there will be a different subject focus. This half term, the whole school will be focusing on Geography. To support children in their learning, we have developed knowledge organisers for Geography and Science. Knowledge organisers aim to help children retain and recall the essential knowledge that they are taught. Each knowledge organiser includes key dates, people, vocabulary, definitions, events and contextual or technical information that we want the children to know by heart by the end of the topic. Knowledge organisers for each class can be found on the website but will also be sent home with the children for you to support them in their learning. We expect the majority of children to be able to recall all of the information on the Knowledge Organiser by the end of a half term.

AUTUMN TERM SUBJECT FOCUS

We will be focusing on **Geography**.

Our enquiry question will be...

'Where are we on the map?'

In each subject we will be learning:

Science: Seasonal changes

PE: Locomotion

PSHE: Celebrating differences

RE: Christianity

Music: Singing and percussion

Computing: Word processing skills

English and Maths

English: Our next unit of writing is based on the book 'Where The Wild Things Are' by Maurice Sendak.

Maths: Addition and subtraction within 10, fact families within 10, subitising to 10.

Important Information

Our PE day is **Tuesday**

Reading books will be changed on a **Monday** each week. The children will take home 2 books; a Read Write Inc book to sound out and blend independently and a library book of their choice to share with an adult at home.

Please send your child's Read Write Inc book to school with them everyday.
