

Heather Class Year 5

Welcome back! I hope you all had a great half term. We are entering our fourth term of this academic year. I would just like to take this opportunity to say well done for all of your hard work during last term. This half term, the whole school will be focusing on History, with our class specifically looking at the Ancient Mayan civilisation and who they were and why they are an important part in History. To support pupils with their learning I have developed Knowledge Organisers for History and Science. Knowledge Organisers help children to learn and retain the essential knowledge that they are taught so that they are then able to recall it. Each Knowledge Organiser includes key dates, people, vocabulary, definitions, events and contextual or technical information that we want the children to know by heart by the end of the topic. If you have any questions please contact me (Mr Cadman) on Class Dojo or via the school office.

SPRING TERM 2 SUBJECT FOCUS

We will be focussing on History looking at the ancient Maya.
