

# Heather Class Year 5

Welcome back! I hope you all had a great half term. We are entering our Summer term of this academic year. This half term, the whole school will be focusing on Geography, with our class specifically looking at The Amazon Rainforest. To support children in their learning we have developed Knowledge Organisers for Art and Science. Knowledge Organisers help children to learn and retain the essential knowledge that they are taught so that they are then able to recall it. Each Knowledge Organiser includes key dates, people, vocabulary, definitions, events and contextual or technical information that we want the children to know by heart by the end of the topic. If you have any questions please contact me (Mr Cadman) on Class Dojo. Let us have another exciting and productive half term. Thankyou.

## Summer Term 1:

We will be focussing on Geography.

Our Enquiry question will be 'Can we discover how big the Amazon really is?'

## Literacy and Maths:

**Literacy:** We will be learning how to create a non-fiction text, which tells the reader all about plastic pollution.

**Maths:** Decimals, percentages, shape and position and direction

## Events:

**Brownlee Triathlon.** I have organised for our pupils to take part in a triathlon in Hull, letters will be out in due course.

## Follow us:

@SPORTMPA

ClassDojo

## In each subject we will be learning:

**Science:** Living things and their habitat

**PE:** Athletics

**Modern languages:**  
Spanish

**Music:** Singing

**ICT:** Coding

## Important Days

Our PE day is **TUESDAY** (outdoor). Children are to come to school wearing their school PE uniform.
