

# Welcome to Willow Class Year 6

We are into the second year of our exciting, knowledge based curriculum that places powerful knowledge at its heart. The content has been chosen carefully and is sequenced to build on prior learning. Each half term has a different subject focus. This half term the whole school will be focusing on Geography. To support children in their learning we have developed knowledge organisers for Geography and Science. Each knowledge organiser includes key dates, people, vocabulary, definitions, events and contextual or technical information that we want the children to know by the end of the topic. Knowledge organisers for each class can be found on the website. We expect the majority of children to be able to recall all of the information on the knowledge organiser by the end of a half term. If you have any questions please contact me on Class Dojo. Many thanks, *Mrs Holt*

## AUTUMN TERM SUBJECT FOCUS

We will be focusing on *Geography*.

Our Enquiry question will be...

'World trade: is it fair?'

## In each subject we will be learning:

Science: Animal classification

PE: Hockey

PSHE: Celebrating differences

RE: How significant is it that Mary was Jesus' mother?

## English and Maths

**English:** Our Power of Reading text is *Kensuke's Kingdom* by Michael Morpurgo

**Maths:** Four operations, factors, multiples, fractions, geometry, position and direction

## Important Days

Our PE day is now Wednesday

We need to read 5 times a week. Reading Records will be collected on Fridays and returned on Mondays

Spelling homework will be given on Mondays

Maths homework will be given on Mondays
