Happiness Poem

Happy days are holidays when we go out to play.
Happy is something that makes us laugh.
Like playing in water, in pool or in bath.
Bright sunny days that are full of fun.
Laughter that passes to everyone.
Christmas or Diwali and birthdays too
Are such happy times with fun things to do.
Happiness is being content as we are
Not wishing for things we can't reach from afar.

My Happiness Poem

Happy days are _____

Happy is _____

Like playing _____

Bright sunny days _____

Laughing _____

Happiness is _____

Being happy means _____

Not wishing for things _____
