Developing Ideas

- Use a sketchbook to plan and develop simple ideas
- Build information on colour mixing, the colour wheel and colour spectrums.

Key Stage 1 National Curriculum

NC: To create sketch books to record observations and use them to review and revisit ideas.

NC: To use a range of materials creatively to design and make products

NC: To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space

NC: Use drawing painting and sculpture to develop and share their ideas, experiences and imagination.

NC: about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practises and disciplines and making links to their own work

Key Stage 2 National Curriculum

NC: To create sketch books to record observations and use them to review and revisit ideas.

NC: To improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (For example, pencil, charcoal, paint, clay)

NC: Pupils should be taught to develop their techniques, including their control and their use of materials, with creativity, experimentation and an increasing awareness of different kinds of art, craft and design.

NC: about great artists, architects and designers in history
