

14th - 18th November 2022

Weekly Highlights

We have had another busy week here at Parish!

The week started with 'odd socks day' to mark the start of anti-bullying week. Mrs Iberson visited classes to raise awareness with the children of what to do if they ever feel worried or lonely and equally what to do if they think someone else is feeling worried or lonely, with the overarching message being 'reach out'.

Parish has once again been well represented in the school cross country competition with the final races of the year happening this week. There were some great results across all year groups. While Alkington Primary School won the competition overall, we should be incredibly proud of the achievements of all of the children who have represented us showing dedication, determination and great sportsmanship! Well done team!

Mrs Cooke and Mrs Wainwright were joined this week by Mr Owen from Rochdale Local Authority as they looked at reading across school. There was lots to celebrate in all of the lessons they saw with Mr Owen commenting on the behaviour and engagement of pupils in lessons!

The week ended with us supporting BBC Children In Need! A huge thank you to everyone who donated spare change - the money has yet to be counted but the weight of the buckets suggests we have raised a fantastic amount! The children looked great in their Pudsey themed clothing. Miss Donlan has already shared lots of pictures of the children - and staff! The kitchen also made 'Pudsey Bear Biscuits' which all children in school were able to enjoy!

Have a lovely weekend!

Mrs. Thomas
