

24<sup>th</sup> April – 28<sup>th</sup> April 2023

Weekly Highlights!

We are now two weeks into the summer term and the time is already flying.

First of all, well done to all those children who received either their bronze or silver awards for great attendance up to the end of spring. As you know, children do best in all aspects of life when they attend school regularly, so a big thank you to all our parents who support their children with good attendance and punctuality; for those children who have not yet received an attendance award - there is still time. Go for it!

This week Year 6 have completed their Mock SATs in preparation for the real tests which will begin on Tuesday 9th May. Members of the governing board came to support and were very impressed, as was I, with the children's performance. Although, this can be an anxious time, all of the children were calm and worked to the very best of their ability. I am sure that when the real tests begin they will do even better!

Whilst I have been in my office this week, I have enjoyed listening to both Year 1s rehearsing their class assemblies. From what I have seen and heard, I'm sure that parents are in for a treat and I look forward to seeing you on Wednesday morning.

The Year 4 classes continue to make good progress with their swimming lessons and I'm sure everybody is pleased that whilst the sun is not yet cracking the flags, the walk to and from the baths is warmer!

Continuing the sporting theme, our netball teams have done well this week with both receiving bronze medals. We are hosting a netball rally in the upcoming weeks and I am sure that our girls will continue to perform really well. Hopefully you will be able to come along and cheer them on! On Monday our Year 5 and 6 footballers go to St. Thomas More. Given their previous successes this year I know that they will play their very best and hopefully come back with a win.

Don't forget that next Friday we have our garden party at 2.00 p.m. Please come and help us to celebrate the King's coronation.

In the meantime, I hope you enjoy the Bank holiday weekend and that the sun shines. See you on Tuesday!

Best wishes,

Mrs Cooke
