Reading Books and Boom Reader!

Our new class libraries have been set and are ready to go for the year ahead and all children should now have a reading book.

Should children have a home reading book they would like to read, please send it into school for teachers to check it provides enough challenge to support progression in reading – teachers will then add this book to Boom Reader (GOREad). Adults in school will read with all children at least once a week. We ask that children read at home daily.

All reading should be recorded on Boom Reader (GOREad) in order for children to earn maximum gems! Problem words/new vocabulary can be added on go read alongside in vocabulary books.

Homework

Each day your child will have a piece of homework in their homework book to complete for the next day. Weekly your child will be set spelling and times table challenges. Please ensure your child practices these at home alongside their daily reading. Reading should be logged onto Boom Reader (Go Read) by parents or themselves. Times table challenges are also set on the TTRockstars website alongside weekly competitions. It is important that the children learn all their tables this year using instant recall. They are assessed at the end of the year as part of a government statutory test known as the Multiplication Check.
