

## Welcome to Parent View

Ofsted offer a fantastic insight into what our parent's think of our school.

If you follow this [link](#) you will be able to answer a questionnaire on your thoughts about Middleton Parish. When there are sufficient responses, Ofsted will publish all the comments.

If you feel that you would like to discuss your thoughts with us before publishing them, feel free to make an appointment with a member from our Senior Leadership Team (SLT).

To answer the Ofsted "Parent View questionnaire, you first need to register on their site.

You will need to register your email address. Parent View then sends you an email with a link to their site – you can use this link ONCE and will need to change your password the first time you visit. Afterwards, you can log in with your new password as often as you need to.
