

A Halloween-themed illustration. In the upper left, a black bat with white eyes flies against a dark purple night sky. Several yellow stars of different sizes are scattered across the sky. A large, bright yellow full moon dominates the right side of the background. In the foreground, a large orange jack-o'-lantern with a green stem and a carved face (triangular eyes, a triangular nose, and a jagged mouth) sits on a patch of dark grass. To the right of the pumpkin is a grey tombstone with the letters 'RIP' carved into it.
