

Millbrook Messenger

Sad News

We have received the very sad news that Mr Watson, our site manager here at Millbrook from 2007 to 2018, passed away last week. Mr Watson took great pride in managing our site, grounds and school buildings and always made sure they were safe, well maintained and the best they could be for our pupils.

As many of you will know, he also had a real passion for football and ran our football club and team for many years. Mr Watson will be fondly remembered by staff, parents and pupils and our thoughts are with his family at this extremely difficult time.

Millbrook Football Team were Swindon Shield Winners 2009-2010 season

Children in Need

Thank you so much for your donations, the face painting and cupcake sale raised a fantastic total of £627.

We will have more cakes for sale during Parents' Evening this week, please bring 50p or £1 in cash if you would like to buy some!
