IMPORTANT - Road Safety

Wiltshire Police have received 3 reports in the last week, on different days, regarding children witnessed trespassing on the M4 motorway. The behaviour reported includes dangling off a bridge over the motorway and being on the hard shoulder.

Clearly this behaviour is extremely dangerous and those involved are putting themselves at serious risk of being fatally injured. They are also behaving in a way that has the potential to endanger road users and could result in a catastrophic accident.

As a school close to the motorway, we have been asked to ensure parents and children are aware of the dangers and to do everything we can to make sure this is not Millbrook children trespassing on the M4.
