Do you want to make a difference?

Part time Teacher (Ref: FEB23/PT)

To teach small group interventions

(2 full days or 4 afternoons a week)

Salary: £28,000 - £38,810

Start date: 21.02.23 or asap thereafter

Do you want to work in a happy, dynamic and forward thinking school? Do you want to work alongside other exceptional teachers at a school where all the staff are passionate about children's learning? Where your professionalism will be respected and you will be supported and encouraged to achieve your full potential?

Do you want a position where innovation and new ideas are valued and you have the permission to do what you think is right for the children? Where all staff recognise the importance of team work and where children's learning is at the forefront of our agenda? Where staff smile (most of the time!) and enjoy coming to work every day?

Millbrook Primary School is looking to appoint an exceptional teacher to work across the school teaching interventions to small groups. You must have the highest expectations of yourself and the children, and enjoy working as part of a team.

The successful candidate will enjoy working with children, keep smiling whatever happens, be creative and really believe that every child always matters! Both ECTs and experienced teachers are encouraged to apply.

Our oversubscribed school offers you a new building with excellent resources and equipment, full support in your professional development and an environment that encourages taking initiative.

Millbrook Primary School is committed to safeguarding children and young people; successful candidates will be required to provide recent relevant references, undergo a medical check and DBS disclosure check at an enhanced level.

Visits are warmly welcomed and encouraged by contacting the School Office on 01793 872800.

Closing date: Midday Friday 3rd February 2023

Interviews will take place week commencing: Monday 6th February 2023
