RSE is a compulsory element of the National Curriculum and all children will take part in most lessons, in the same way that they do for every other subject. However, there are 3 particular lessons, for our older children, where parents do have the option to withdraw their child if they feel that the content is unsuitable for their child's level of development.

After attending the meeting, if your child is in year 4, 5 or 6 and you want to withdraw your child from the Sex Education lessons below, please then send an e-mail to your child's class e-mail address by Thursday 22<sup>nd</sup> May (end of term 5) stating that you wish to withdraw them from that lesson.

Kind regards
