Please continue to read at home regularly too.

This term's learning –

Our topic is 'Down in the garden'.

We will introduce our topic with our outdoor learning day on Monday 9th June.

Our focus in Geography will be map and fieldwork skills. We will be making a map of the school, looking at and planning routes in the local area and practising our fieldwork skills in the school grounds.

In Science we will be planting seeds and seeing what helps them to grow.

In Art, we will be looking at the work of David Hockney and painting pictures of plants and flowers.

Year 1 and 2 trip to Bristol Zoo Project

A reminder that our school trip will be on Tuesday 1st July.

Please make payments on ParentPay.

Children will need to be dressed appropriately, depending on the weather on the day.

PE and Welly Walks

Days will remain the same this term.

All PE will be taking place outside so please make sure that your child comes to school in appropriate PE kit for the weather if it is hot – including sun hats and with sun cream if needed.

Collecting children

If there is someone different from usual collecting your child at the end of the day, please let us know by speaking to the class teacher, emailing the class email address or phoning the school office.
