The Mayan Civilisation

In Science, we will be investigating how humans change throughout their lives. In Art, we will be exploring the work of our local artist, Billy Beaumont.

Reading

Please aim to read at home at least 5 times a week - either to an adult or independently. Children will have a book that they choose to take home.

Please support your child with their reading and record home reading in their reading record books - either you or your child can do this.

The reading record book should be brought into school each day with the child's reading book. Each Friday their total number of reads for the week will be recorded.

Wednesday - All classes indoors

Learning from Term 3 onwards

As we get closer to the Y6 SATs in May, we will be changing the way we teach some subjects.

Year 5 and Year 6 will continue to be taught Maths in separate classes in order for us to focus on the objectives and ensure that Y6 are SATs-ready.

We will, when necessary, split the year groups for Reading and Grammar for the same reasons.

Homework

Spellings:

The children will be given a week to learn each list. Spelling tests will be on a Friday. Please support your child to practise their spellings.

Times tables:

Children should be fluent in all times tables by Year 5 & 6.

Please continue to support your children learning and becoming fluent with the tables using TT Rockstars or other successful methods - **ask your child's teacher if you would prefer a paper sheet to practise times tables.**
