Celebrating the Queen's Platinum Jubilee at Millbrook

Our Jubilee celebrations started in full swing on Monday with our designing a crown competition! It was very difficult to choose the winners as everyone put a lot of effort into their marvellous creations! Well done to everyone who took part .

Our celebrations continued on Thursday with the EYFS and Ark party.

We hope you can all join us for the picnic and afternoon races from 12pm on Friday.

Success at school starts with ... being there ... and being there on time !

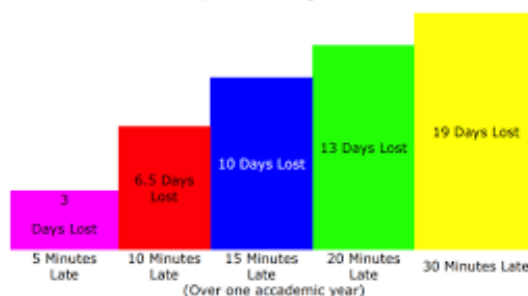

Congratulations to all those children and families that have such a good attendance record. The Government keeps a track of this and at present we are seeing an increase in the number of children being absent and also being late. The school has had such positive attendance in the past, however this is now not the case and the school can see the impact this is having on the progress of those individuals that are regularly absent and those that are regularly late.

We appreciate that there are times when illness or family circumstances might prevent 100% attendance and these instances can often not be helped, however... persistent cases where poor attendance and punctuality do not improve can be considered neglect and we will be monitoring these cases carefully. We will instigate legal proceedings and issue fines to parents when a child's attendance is below 80% without a clear medical reason.

We will instigate legal proceedings and issue fines to parents when a child's attendance is below 80% without a clear medical reason.

Every Minute Counts

If you arrive late to school everyday your learning begins to suffer. Below is a graph showing how being late to school everyday over a school year adds up to lost learning time.

Congratulations to the girls football team who have had a fantastic season and finished runners up in the girls competition of the School's Cup.

Thank you to everyone who came to support them on cup final day.

Menu Change - first week after half term

Gardening Club

Our amazing gardeners have been busy creating our Jubilee garden, with Miss Edgell and Mrs King in gardening club each week. We look forward to seeing the display in red, white and blue.
