

# **Millbrook Primary School**

## **Attendance Policy**

## Principles

We are aware that parents of registered pupils have a legal duty under the Education Act 1996 to make sure that their children of compulsory school age attend school on a regular and full-time basis.

## Aims

- To ensure that all pupils of compulsory school age attend school on a regular and full-time basis.
- To ensure that good lines of communication are in place so that parents can contact school to report their child's absence.

## Procedures

The school applies the following procedures in deciding how to deal with individual absences.

<b>Illness and other legitimate reasons</b>	<ul style="list-style-type: none"><li>• If a child is unfit for school, parents should contact the school on the <i>first</i> day of absence. The school operates a 'first day of absence' call system. If the school has not been informed by 9.30am then the school will ring or text the parent to investigate the reason for absence. When the child returns, he or she must send an email/<i>written</i> note, signed by a parent for <i>each</i> period of absence. Absences will not be authorised without this procedure. In exceptional circumstances and where attendance is poor, further evidence of a child's illness, such as a doctor's note, may be requested. Other reasons for absence must be discussed with the school each time; notes will not necessarily be accepted as providing valid reasons. School <b>will not</b> authorise absences for shopping, looking after other children, birthday's, day trips etc. Leave may, however, be granted in an emergency (e.g. bereavement) or for medical appointments which take place during school time. The office will log all absences when telephoned in and inform the class teacher. It is vital absences are legitimate.</li></ul>
<b>Holidays</b>	<p><b>Headteachers are not permitted to authorise any leave or absence from school unless the circumstances are "exceptional" relating to a "one off" isolated situation.</b></p> <p>"Exceptional" circumstances no longer cover:</p> <p><b>Holidays of any description, unless necessitated by work contracts.</b></p> <p><b>Family birthday celebrations.</b></p> <p><b>Visiting relatives abroad.</b></p> <p>Unauthorised absences may result in a penalty notice. If a Penalty Notice is issued, the timescale for paying has changed to £60 within 21 days or £120 within 28 days.</p>
<b>Lateness</b>	<ul style="list-style-type: none"><li>• Children must attend on time to be given a mark for that session, unless the lateness is unavoidable. Parents are expected to ensure that children are present at registration. Late arrival after registration without good reason is counted as unauthorised absence. Late arrivals will be recorded in a 'late book' in the office. If a child is late 3 times in one week then a letter will be sent home to parents.</li></ul>
<b>Education Welfare Officer</b>	<ul style="list-style-type: none"><li>• The EWO visits the school regularly checking on attendance figures and following up any concerns the school may have regarding poor attenders or pupil welfare. Parents have a legal obligation to ensure that their child attends school, persistent failure to do so could lead to the LA taking legal action.</li></ul>
<b>Covid 19</b>	<ul style="list-style-type: none"><li>• Under current government guidance, school attendance will be treated in the same way as it was prior to Covid-19.</li><li>• If you suspect your child or someone in your family has Covid 19, you should be tested as soon as possible.</li><li>• Tests can be booked via this link: <a href="https://www.gov.uk/get-coronavirus-test">https://www.gov.uk/get-coronavirus-test</a></li><li>• You must also contact school to let them know you are self-isolating while you wait for your results.</li><li>• When you get your result, you must contact school to say if it is positive or negative. If it negative, the pupil may return to school as soon as they are well.</li></ul>

|  | <ul style="list-style-type: none"><li>• In the case of a positive test, your family would need to self-isolate for two weeks. We may also need to take further measures to ensure the safety of pupils and staff at Millbrook, so your communication with us is essential.</li></ul> |

We believe the above strategy is effective in maintaining good pupil attendance.

## Attendance Chart

GOOD	<p><b>Your child's attendance is above 97%</b></p> <p>As well as being an excellent attendee your child will have the best opportunity in "<i>Achieving Excellence and Fulfilling Potential</i>" which is our school aim and vision for your child. Your child is likely to achieve and have real opportunities for the future.</p>
SATISFACTORY	<p><b>Your child's attendance is between 93% – 97%</b></p> <p><b>The national threshold is 95%.</b> The government's aim is for children to miss less than 10 days per year.</p>
CONCERN	<p><b>Your child's attendance is between 90% - 93%</b></p> <p>Attendance below 90% may mean a referral to the Education Welfare Service. You will receive a letter from school to inform you that your child's attendance is a cause for concern.</p> <p>Your child is missing so much time that it will be difficult for them to keep up with their school work.</p>
SERIOUS CONCERN	<p><b>Your child's attendance is below 90%</b></p> <p>Your child will have missed more than 18 days, approximately half a day per week, over the school year.</p> <p>Following an Education Welfare Service referral Parent/Carers may face a fixed penalty fine as your child's attendance is below 90% and they are "Persistent Absentees."</p> <p>Your child is missing so much time that it will be almost impossible for them to achieve what they would be capable of achieving if they were in school full time.</p>
