

CLASS 3 TIMETABLE Week Beginning 23rd March 2020

Hi there Class 3! Hope you enjoyed the lovely weather this weekend!

| | Maths This week you will be exploring 2D and 3D shapes and learn about angles. We will begin by revising what you have learnt in previous years. The lessons are set on your MyMaths homework page. | Literacy This week our literacy focus will be based on a dragon picture. It can be found on the Pobble 365 website. Select 22nd Jan picture called 'A Dangerous Pet' . Use this link: http://www.pobble365.com/a-dangerous-pet/ | Other Give your mum a belated Mother's Day present – tidy your bedroom! On Monday, start collecting junk modelling resources for your quest activity on Friday. | Ongoing – each day At 09.00 PE with Joe Wicks live on You tube for 30 mins Learn to tie your shoe laces! | This week's spellings |
|---------------------------------------|--|--|---|---|---|
| Day 1 | https://www.topmarks.co.uk/maths-games/hit-the-button Choose addition within 20 . What was your highest score? Write it in your pink maths book with today's date. MyMaths – Geometry – Properties of shape. 2D and 3D shapes. Do the lesson and complete the online homework. | Use the picture 'A Dangerous Pet'. http://www.pobble365.com/a-dangerous-pet/ Today's task: Look carefully at the picture. Discuss the picture with somebody at home. What does the picture tell you? What would you like to find out? In your writing books, answer the questions from the 'Question Time' section. | PE: Do the actions on screen - standing up! https://www.bbc.co.uk/teach/supermovers/just-for-fun-danger-mouse-l2/zv3m47h Make up your own fitness routine. | Reading -(everyday 15mins) Times Tables - (everyday 10 minutes) Spelling (look cover write check) and any fun activity that helps you learn them. Other fun activities: Organise your schoolwork area – make sure you have pens, pencils, a ruler and a rubber. Singing- You tube your favourite songs and sing along Contact a friend and have a chat! | See the 'Look Say Cover Write Check' sheet in your book – 'write' words. For those of you who do not have the yellow books and sheets given out last Thursday, please learn these words. write writing wrote written rewrite handwritten handwriting experience experiment extreme |
| Day 2 | https://www.topmarks.co.uk/maths-games/hit-the-button Choose subtraction within 20 . What was your highest score? Write it in your pink maths book with today's date. MyMaths – Geometry – Properties of shape - 3D shapes. Do the lesson and complete the online homework. | Use 'A Dangerous Pet' picture. http://www.pobble365.com/a-dangerous-pet/ Today's task: Read the 'story starter' paragraph. You are faced with a challenge. How would you train your dragon? What special powers will your dragon have? How will you get the 'perfect dragon'? Write a set of instructions on 'How to train the perfect dragon'. | Science Make different paper aeroplanes out of scrap paper and decorate them to look like different dragons. Carry out a fair test to see which 'dragon' plane was the most successful. You can note down your results in a table in your book. | Make up a dance routine or comedy act to perform to your family. | |
| Day 3 FOREST SCHOOL AT HOME | https://www.topmarks.co.uk/maths-games/daily10 - Times table practice – write your answers on scrap paper and record your scores in your pink book. | Forest School Activity: Sit outside quietly for a few minutes. Use your senses – sight, smell, hearing and touch. Think of adjectives and | ART Make something arty and crafty with natural materials | | |

| | | | | | |
|-----------------------------------|---|---|--|--|--|
| <p>'Never Eat Shredded Wheat'</p> | <p>FOREST SCHOOL MATHS Go on a treasure hunt collecting natural materials. Keep these for later on today. Position and direction – find out which direction north, east, south and west are in your garden.</p> | <p>similes to describe what you see, smell, hear and touch.</p> | <p>such as leaves, stones and twigs. (Andy Goldsworthy style)</p> | | |
| <p>Day 4</p> | <p>https://www.topmarks.co.uk/maths-games/daily10 - Times table practice – as yesterday. MyMaths - Angles 1 Do the lesson and complete the online homework.</p> | <p>Use the same picture as yesterday 'A Dangerous Pet'. http://www.pobble365.com/a-dangerous-pet/ Today's task: Name your dragon and write an acrostic poem using your dragon's name. Try to think of an unusual or creative name for your dragon and include characteristics of your dragon. You could present your poem as part of a picture of your dragon (see photo example).</p>  | <p>ART/ICT Google different dragon pictures. Use these as inspiration for your own dragon. Paint, draw or make a collage of your dragon.</p> | | |
| <p>Day 5</p> | <p>https://www.topmarks.co.uk/maths-games/ - free choice of any game as a warm up. MyMaths - Angles 2 Do the lesson and complete the online homework.</p> | <p>Use the same picture as yesterday 'A Dangerous Pet'. http://www.pobble365.com/a-dangerous-pet/ Today's task: Imagine that your dragon has escaped. Create a 'wanted poster' to help others find your dragon. Use lots of description to help others recognise your dragon. You could use similes, power of 3 sentences and wow adjectives to describe your dragon.</p> | <p>Use junk model (recycling) to design and make your own bridge – to link with our Brunel work. Can you name the shapes you use and describe their properties? Does your bridge use any right, acute or obtuse angles? If you have Lego or other construction toys, you could build a bridge with these.</p> | | |
