Last Thursday the children of Class R gave Hollywood a run for its money and put on a fabulous Nativity: Oh Crumbs! It is not possible to be more proud of every single one of the children. They learned lines (sometimes other people's as well as their own!), belted out songs and had such a good time doing it. It was an honour to direct you all and...you did make me cry - well done!

OUTSTANDING LEARNERS OF THE WEEK

- Preschool** **Evie** for being so independent, joining in with everything and always having a smile.
- Class R** **All of Class R** for an absolutely brilliant first term at school.
- Class 1** **Lyla** for your excellent progress in writing.
- Class 2** **Joshua** for your outstanding knowledge and ideas in DT!
- Class 3** **Siena** for thinking of others and being helpful.
- Class 4** **Rory** for your fantastic DT work on pneumatic devices this week.
- Class 5** **Isla and India** for using a growth mindset in your learning this week.
- Class 6** **Toby, Sophia and Dougie** for their lovely art work based on the work of artist Lowry.

On Thursday, the Drama After School Club did an amazing job performing a 15-minute Wizard of Oz! Everybody had an exciting part to play; Amelie, Sophia and Olivia all played Dorothy, the North Witch was played by Sophia and Amelie, Scarecrow was played by Henry and Sophia. The Tin Man was played by Harry and Nicholas, the Wizard was played by Nicholas, the West Witch was played by Evelyn and Erin, Guard was played by Eva, the Lion was played by Benjy and Eva and, finally, Toto was played by Eva, Erin and Evelyn. We would like to thank Dean, our Drama teacher, the parents and everyone who came to watch, including Mr Coupe and Miss Storey.

Thank you for all the lovely logs that your children bring in to our Forest School sessions. We are economical with the wood, only burning what we need to warm and power our sessions. Your logs are invaluable! If anyone has a decent sized camping kettle, basic binoculars, or an old frying pan, we'd be most grateful. Ours, after years of good service, have finally given up the ghost. Happy Christmas all.
Mr Wedderkopp

Class 2 had a wonderful, Christmas-themed Forest School session on Wednesday. They went on a hunt for elves, fixed Santa's sleigh and sang Christmas carols around the fire! They had lots of fun, thank you Mr Wedderkopp!
Miss Farrimond

Class 1 have been using the map and key they created of our school and grounds to find our missing bucket of dinosaurs! Luckily, Class 1 are very good at map reading, and using the clues and keys to find those cheeky dinosaurs.
Ms Boullin

This week Class 1 had a Design and Technology day. We explored different vehicles to find out how they move using their wheels and axels. We designed our own carts to help Santa and the elves deliver presents. We all built our own carts. We thoroughly enjoyed doing this and there were many kind friends helping each other. I'm sure Father Christmas will have noticed these kind friends, and now he will have so many carts to help him deliver all those presents! Well done Class 1.

Ms Boullin

A HUGE THANKS from the MSA for all the wonderful donations brought in for the school Christmas Fair, and to everyone who helped in the run up to the event and on the evening itself. Without the dedication of these amazing volunteers the event couldn't have gone ahead, and it was great to see so many adults and children enjoying themselves. Other MSA fundraising this term has included the Halloween Disco, children's Christmas cards and the fantastic self-portrait tea towels. **This brings the total raised this term for extra school resources, class music lessons and class trips to £2500 - a fantastic start to the 2024/25 year!** Merry Christmas and look out for news of more MSA fundraising events in 2025!

Class 5 PE Enrichment—Fencing

Year 5 were not new to Fencing so the session began with a recap of footwork and foil swordsmanship. The children were challenged to hit precise objects to refresh their striking skills. The children were put into groups for fencing duels. Fencing is a very technical invasion game but Ethan and Isla shone throughout with their palpable enthusiasm in embracing a new sport. They improved their attack and defence as well as encourage their classmates.

Class 2 PE Enrichment—Ultimate Frisbee

As the Year 2 children were not overly familiar with this sport we spent a while focusing on throwing technique and throw accuracy. The children were tasked with hitting an object, like in a coconut shy. Finally, we had multiple hoops as targets with varying points to score and the pupils were able to land their frisbees in the them. Rafa and Amelie clearly stood out from their peers for their expertise in accurate throwing and hitting or landing in their targets.

Mr Aldwin

After several weeks of festive cheer, the Digital Leader Christmas comic competition has come to an end. Children were challenged to put their digital skills to the test by creating a Christmas themed comic that used visuals and text. Again this year, we've had an incredible response with a lot of creativity and imagination. Our winners, as judged anonymously, by our Digital Leaders, are:

- 1st Alfie - with his 'Santa vs Lionel Messi' comic
- 2nd Willow - with her 'Christmas Thief' comic
- 3rd Freddie - with his 'Goalkeeping Santa' comic
- 3rd Elsie - with her 'Christmas Goes Wrong' comic

Well done, and a big thank you to everyone that entered!
