

People Who Help Us

*To the people who help us
We'd like to say 'thank you very much'.
To the people who help us
We'd like to say 'thank you very much'.*

The fire fighters are very, very brave;
If you see a red fire engine, give a little wave.
They put out the fire with their big, long hose.
Turn on the tap and away the water goes!

Ssssh, ssssh, ssssh!

*To the people who help us
We'd like to say 'thank you very much'.
To the people who help us
We'd like to say 'thank you very much'.*

The farmers work so hard in the field,
To grow the fruit and veg for us so we can eat our meals.
They care for lots of animals and drive a tractor, too.
If we're lucky there will be a ride for me and you!

Vroom, vroom, vrrrooom!

*To the people who help us
We'd like to say 'thank you very much'.
To the people who help us
We'd like to say 'thank you very much'.*

The police, they wear a big, black hat.
If they see us being naughty they say 'DON'T DO THAT!'
Taking care of the girls and boys, they drive a car with flashing lights;
Can you hear the noise?

Nee-nah, nee-nah, nee-nah, nee!

*To the people who help us
We'd like to say 'thank you very much'.
We'd like to say 'thank you very much'.*
