Van Gogh the Painter

How did Van Gogh become a painter?
Click on the timeline to find out more.

Van Gogh's brother suggested that he become an artist. He went to art school in Brussels and started to learn about drawing.

He visited his relative, Anton Mauve, who introduced him to painting with oil paint.

He produced his first important painting, called 'The Potato Eaters'.

He moved to Paris, where he discovered the work of some artists called the French **Impressionists**.
