

Correcting homophones

Find the incorrect homophones in the text below.

The son was shining and Sally was really looking forward two going to the beach with her family. Her little sister wouldn't bee able to go in the water, because she was still to small, but Sally had been taking swimming lessons and couldn't wait to swim in the see. In the morning Mum said Sally and her sister could wear they're swimming costumes under there clothes to save time getting changed when they arrived.

They parked the car and Dad put sum money in the parking meter and said they could stay until won o'clock. After a swim they had an ice-cream and then dug a huge whole in the sand, before going home.

Now write out the incorrect homophones and the correct version.
