

Class 3 Online Safety Charter

In Class 3, we have thought carefully about healthy habits whilst using technology and ways to keep ourselves safe online. We understand that we have a shared responsibility for looking after ourselves when using technology at home and in school.

To stay safe we will:

- ✓ Ask for permission before we use technology.
- ✓ Check that our parents have put on parental controls for our age.
- ✓ Always send kind messages and images that will make people smile, laugh and feel happy.
- ✓ Tell a trusted adult if something upsets us when we use the computer or other technology.
- ✓ Use technology to help us learn in school and to do our homework.
- ✓ Always make sure there is a trusted adult close by to help us if we need them to.
- ✓ Be kind online and don't respond to unkindness.
- ✓ Always ask before we buy anything online.
- ✓ Give ourselves time limits and don't spend all day on technology. We will get up and move around every 30 minutes.
