I am happy when I see my friends and they are happy.
I am happy when I am with my friends and family.
I am happy when I FaceTime fantastic, faraway friends.
I am happy when I am with my 'sometimes' annoying family, but I still love them.

I am happy when the sun shines down on me.
I am happy when I am splashing in the clear blue river.
I am happy when I see the signs of Spring sprout again.
I am happy when I splash and swim in a wondrous wild stream, sparkling in the sunshine.

I am happy when I am sailing swiftly, but silently, through the silky sea and the light breeze swirling through my hair.

I am happy when I can build a model that doesn't wobble.

I am happy when I am as high as a house bouncing on my trampoline.

I am happy when I fly my drone way up high in the bright blue sky!

I am happy when my pencil is sharp as a narwhal's tusk.

I am happy when I swish the brush, blob the paint, snip the scissors and lump the glue doing lots of Art.

I am happy when I am snuggling my soft, silky cat called Spike.

I am happy when I'm with my haggling, dancing and disruptive dog.

I am happy when I'm doing my favourite thing; playing with my perfect,

playful puppy.

I am happy when I'm watching Formula I with my cute, fluffy kittens curled up an my lap.

I am happy when I'm frolicking in the forest with my family around the fire cooking fish.

I am happy when I cycle with the sun warming my skin, beads of sweat running down my shins.

I am happy when I am playing with my cuddly classmates.
I am happy when my funny, fabulous friends are with me.
I am happy when I see your happy smiles.
I am happy when the class is happy.
