Hello everyone,

I hope you are all ok. It is strange not seeing everyone for such a long time and hope you are coping well in lockdown. 🗝️

📶 I'm enjoying doing homeschooling 🏠🏫 in my pyjamas and wrapped in a blanket! Looking forward to seeing you all soon, hopefully.

Hi Everyone! I hope you all are enjoying some sunshine and like the tasks Miss Brown has set for us. I miss you all and do hope to see you soon. I walk my **dog** a lot and play with my **Lego** and do **Arts and Crafts**. I have camped in the lounge and had a family pizza party in the garden with my Mum, Dad and Will.

Dear Class 4,

I am missing all of you so much and I can't wait to see you again! I have been in lockdown with my auntie my mum, dad and sister and have had lots of fun! Out of school hours we made up two songs called 'we're in the garden' and 'skip skip skip'. Me and Elsa have also planned some really fun events including: a VE day party and a pretend wedding for my mum and dad which all our teddys come to! Missing you lots!

**Hello Class 4!**

**Recently, I have had an exciting time; cycling, walking, playing football, reading lots, enjoying fresh air, writing letters to friends and of course working. I have enjoyed being off school in many ways but still miss my friends thoroughly. Hope to see you all very soon.**

**Yours sincerely, Red**

2 weeks ago my two uncles came back from India and self-isolated. I've been talking to them from 2 metres apart and I've also been doing all my school work at school. At school I played 1,2,3 where are you in lunch and had lots of fun. Hope I see you soon. Best Wishes, Finley B.

Thank you for all of your  
messages. 😊

A circular illustration of a sunny day. In the center is a bright yellow sun with rays extending outwards. Below the sun are several green trees of varying sizes and shapes. To the right of the trees is a simple school building with a brown roof and a chimney. The background is a light blue sky with yellow rays of light. The entire scene is enclosed in a circular frame with a white border.

Hopefully it won't be too long  
until you can all see each  
other at school again. 😊
