<b>Day 1</b>	<p>This week, we are thinking about 'doubling' numbers to 20.</p> <p>See if you can find two buckets or bowls in your house and some small objects such as lego pieces or beads. Can you use them to help you double the numbers from 1-10? See if you can find a way to record your answers in your book.</p>	<p>The ladybird needs your help! Hefty Hugh and Lanky Len made a map of the farmyard in their plan to steal the cow.</p> <p>Can you make your own map of the farmyard? Then, can you come up with your own cunning plan to stop the baddies? You could write it down, tell a grown up, or record your plan using a phone or tablet.</p>	<p><b>Science:</b> Spring is often the time where we see baby animals about in the countryside and on farms. Watch the video on Espresso, <a href="https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item1034247/grade5/module1031835/index.html">https://central.espresso.co.uk/espresso/primary_uk/subject/module/video/item1034247/grade5/module1031835/index.html</a> then play the Animal Snap game in the Activities section. Do you know any other baby animal names?</p>	<p><b>Reading:</b> 10 mins</p> <p><b>Phonics:</b> <a href="https://new.phonicsplay.co.uk/resources/phase/3/buried-treasure">https://new.phonicsplay.co.uk/resources/phase/3/buried-treasure</a></p> <p><b>Number:</b> Count in 1s to 20 and back again. Challenge: Can you count in 10s to 100?</p>
<b>Day 2</b>	<p>Watch Numberblocks Series 2 Episode 9 (Double Trouble) on iPlayer or Youtube.</p> <p>How many different doubles pairs can you spot in the episode? Can you make all the doubles from double 1 to double 5? Can you get all the way to double 10?</p>	<p>So what did the ladybird hear, I wonder?</p> <p>Write down what you think she heard and said to the other characters in the story, or draw a picture of it and ask a grown-up to write it down for you.</p>	<p><b>Art:</b> Have a go at making your own farm animal. You can make it any way you like. Maybe you could use collage, junk modelling or playdough. Be as creative as you like!</p>	<p><b>Reading:</b> 10 mins</p> <p><b>Phonics:</b> Practise reading these words: rain, week, light, soap, moon</p> <p><b>Number:</b> Practise ordering numerals from 1-20.
