EYFS Online Safety Charter

In EYFS, we have thought carefully about healthy habits whilst using technology and ways to keep ourselves safe online. We understand that we have a shared responsibility for looking after ourselves when using technology at home and in school.

To stay safe we will:

✓ Always check with a grown up before we use technology and make sure they are nearby.

✓ Make sure that we only play games and watch things for children.

✓ Tell a grown up if we don't know or like something that comes up.

✓ Be kind to others when playing with them online.

✓ Only play for a little bit and then have a break away from technology.

Child Acceptable User Policy developed through Pupil Voice

We Care. We Aspire. We Belong.
