FRIDAY FLYER

Newsletter No. 19
 7th May 2021

Dear Parents and Carers,

I hope you have already booked your parents' telephone call with your child's class teacher. The feedback from the teachers is that this is working well as a means of staying in touch, although it doesn't provide all of the benefits of a face-to-face meeting. When restrictions lift further, and it is deemed safe enough, we would like to offer a hybrid system for parents' consultations in the Autumn term.

The advice available to us at this time is to remain cautious with regard to removing the extra Covid-19 safety measures, but we have begun in small ways. Up until last week, all desks in the classes were set up in rows (except in the 'Early Years'). After discussion, some classes have decided to change this to help with teaching. It is not right for all classes to do this yet (a lot depends on the number of children in a class, children's ages and the space available) but it is nice to feel that we have started, cautiously, to release the grip that this pandemic has had on us all. Thank you for your continuing support,

Mr R Stead

Message from the MSA

Thank you to everyone for your support. Together, we raised an amazing **£790.31** from our Smarties for Silver event!! This will be going towards resources in school. Look out for more events coming soon. We appreciate everyone's support, thank you!

In Classes 3 and 4 we have flown back in time to the Tudor Period. We looked very closely at some portraits of King Henry VIII to find out about him. We then had a go at painting our own portraits of King Henry VIII. We think the children have done brilliantly—they all capture the likeness of Henry VIII excellently. Well done, Classes 3 and 4!

OUTSTANDING LEARNERS OF THE WEEK

Pre-School	Evie for always being so helpful and kind. Lettie for doing so well with settling in.
Class R	Eddie for his amazing writing about the life cycle of a butterfly.
Class 1	The whole of Class 2 for an excellent morning in Forest School. They were all engaged and participating fully in the activities.
Class 2	Ocean for her fantastic writing this week.
Class 3	Jasmine for leading her group in our persuasive writing work to create a fantastic TV advert for Milverton School. Well done, Jasmine—super acting!
Class 4	Susannah for her excellent attitude to learning. Susannah ALWAYS puts in 100% and produces great work in every subject. Well done, Susannah.
Class 5	Isabel for her outstanding contributions to English sessions.
Class 6	Brooke for her exceptional input in English this week.

Class 3 have been working on persuasive texts by creating adverts for Milverton School. Just see how persuasive they are—
if you didn't have children already here you would apply straight away!
We now know who to call on when we need some advertising—Class 3!

Impressive Milverton School!

Do you want your child to aspire at their work? Do you want your child to care for others? Do you want your child to belong? Of course you do! That's why you should definitely join the incredible Milverton School! Milverton School is a community school so we share our ideas. Also, we're a village primary school. Not only this, but we are eco-friendly! Our significant school jumpers are blue. We also wear wonderful white t-shirts. We boast brilliant clubs, fabulous Forest School as well as one of a kind school trips, excellent events and so much more amazing stuff. Limited space is available, so be quick, register your child today!

Do you want your child to go to the best school in the history of England? And see friendly faces? Look no further, because this will be the place for you. We have extraordinary teachers and learn amazing history! You can't tell what magnificent things are going to happen next—a surprise in every nook and cranny! We get big treats when we fill the marble jar and go to a brilliant Forest School. We get marshmallows some times. Fabulous, fantastic fantasies can hardly compare with our school trips! Art is delightful, better than delightful, it's sensational! Limited spaces, please come quick, or you can't get in! Milverton Primary School where team work makes the dream work!

Class 1 spent a wonderful morning outside. They remembered the fire circle rules, well done! They learnt about signs of Spring and listened to the birds. Their first task was to find wooden blocks with paintings of birds hidden in the school grounds. They did really well. We had great fun doing lots of activities, including pond dipping, the mud kitchen, enjoying the swing and roasting marshmallows, of course!

Mrs McDonagh

Preschool have been creative with the natural world this week. From foraging for leaves and flowers in the fields, to making beautiful artwork. We also set up a magical café and mixed potions to share with our friends.
