FRIDAY FLYER

Newsletter No. 1
11th September 2020

Dear Parents and Carers,
We have been delighted to welcome you and the children back to the start of this new school year! The children have been very happy to return to school and it has been wonderful to see them all smiling and keen to come in every morning. Thank you very much for your efforts to support our new drop-off and pick-up arrangements. With everyone's co-operation and understanding, the new arrangements have worked smoothly. I am very grateful to you for playing your part and reading the information I have sent out to you: we are doing our best to keep everyone as safe as possible. We will keep these arrangements under review throughout, and especially during the coming week, to see if we can tweak them to make improvements.

Health will be a top priority for the foreseeable future. Please ensure that you contact the school office by 9.15am at the latest to report your child's absence from school. We ask that you are **very clear about the symptoms of your child's illness**. Please do not just report that your child is 'unwell'. For example, rather than saying your child has a cold, please inform us of their symptoms; runny nose, cough, headache and/or temperature. We may need to ask you to take other action such as advise you to get a Covid-19 test for your child. Your child's symptoms will also help us to monitor outbreaks of **any** illnesses and adjust our cleaning procedures as necessary. Thank you for your continued support.

Mr R Stead

We would like to thank the Comer family and Green Days Day Care for transforming the Early Years outdoor area over the summer. Their skilled carpenter, Chris, has built and installed a new mud kitchen, extension to our wooden house including café window opening, built us a planter and outdoor story chair, as well as ensuring we have a safe lid for our sand tray and a new shed to store all of things! We are so grateful for this generous donation of time, expertise and providing all of the resources to develop the area into a vibrant and fun place for the children to learn. We can't wait for the next installment as they now turn their skills to the Year 1 outdoor area. Huge thanks!

Mrs Lewis

Year 1 were straight back to business on their return to school! They have been very busy bees counting, writing, creating and playing!

Reminder
Please make sure your child has a water bottle with them at school as there are no longer cups in the classrooms or water fountains available.
