Dear Parent/ Carer,
 We've had a great start to the Summer Term with the successful Art Exhibition where many of you kindly came in to see the children's excellent art work. I also had the privilege of taking the Choir to visit Milverton Lunch Club this week so that they could share some of the songs from their recent concert in Wellington. It was a wonderful community event and lovely to see different generations enjoy time together. We will definitely be visiting again!

"Wonderful work
 by the children.
 Beautiful colours
 and imagination!"

"I love Class 3
 masks and Class
 1 fossils!
 Brilliant."

What a wonderful Art Exhibition we held this week, which displayed the different artistic skills of the children in art forms such as sculpture, collage, printing and model making. Thank you to all the parents that took the time to see the excellent creations and support the children. Some lovely comments were left:

"Wow! What a creative bunch
 of students we have at Milver-
 ton School. 10/10!"

"Really nice to see every-
 one's personalities in all
 sorts of ways."

"All of the children's
 work is
 excellent
 and very
 colourful.
 The willow
 models
 are also
 excellent."

Class 1 thoroughly enjoyed taking their maths learning outside today to practise counting in fives. We used the playground equipment to help us count.

Class 4 had a lovely return to school after the Easter break with a sunny Forest School session on Wednesday this week. The morning started with Mr Wedderkopp leading a mindfulness activity in which the class used their sense to create some wonderful Forest School poetry. Next, the children built dens, cooked some damper bread over the fire and had the chance to do some pond dipping. Thanks to Mr Wedderkopp for your hard work – the children had a fantastic morning!

The unbeaten run continues for the mighty Milverton netballers! Thursday was county netball finals at Taunton Vale with 12 teams raring to go. The competition was a very high standard. Milverton's first game saw a 1-1 draw against North Town. Second game they took the win 2-1 against St Mary's. The next game they took the win again; 2-0 against Somerset Bridge. You guessed it, the next game they won again 3-0 against Danesfield! They were just getting better and better and finding their rhythm. Last game of the pool stages they won their last game 6-1 against Nether Stowey. With all points added and goal difference coming into the mix meant Milverton just missed out on a place in the final. So, their last game saw the play offs for 3rd/4th position. St Andrews it was... what a game! Ended 3-3. One last rotation of positions to play next goal wins. But no goal was coming... lots of chances at both ends but no final goal to seal the win. We called it a draw before any player collapsed from exhaustion as they all gave 110%. So, 3rd overall in the county was a massive achievement. Players' player went to Anna, Supporters' Player also went to Anna which was well and truly deserved. I was so, so proud of the whole team and how they conducted themselves on and off the pitch. A big thank you to all the parents/grandparents for the cheering and support.

MSA at the Milverton Family Fun Day - 5th May

We are running a stall and we'd love donations and volunteers. We need small lucky dip toys in good condition. If you're having a spring clean:

- Look for keyrings, bubbles, small figurines, chalk, hair clips, bouncy balls, etc. No books and nothing large, please!
- Clean and good condition teddies.
- Bottles- anything in sealed/in-date bottles (wine, squash, soft drinks, bubble bath, jars of sweets or small toys).

Drop off your donations in the box in glass entrance lobby. Get in touch if you can help out on the day.

Classes 1 and 2 are learning about castles, kings and queens. They learnt about how important crowns are for monarchs. They all enjoyed making their own coronation crowns and parading around the school grounds.
