FRIDAY FLYER

Newsletter No. 23
11th June 2021

Dear Parents and Carers,
Welcome back to the final half-term of our school year! It has been a year never-to-be-forgotten, but we will continue to help the children achieve new heights with their learning, and provide lots more wonderful memories. We have lots of lovely activities planned! Thank you for your continuing support,
Mr Stead

The Colour Collector

A stranger called this morning,
Dressed all in black and grey.
Put every colour into a bag
And carried them away.

The pretty white buttons on girls dresses.
The blue squishy teacher's chair, tucked under the table.
A beautiful skirt that swishes in the breeze.
The colourful worry monster is fluffy in the trees.

The beautiful peg-jog so blue and black-eyed and cool.
The yellowness of a banana as light as blonde hair.
A pretty, purple flower, shining in the light.
The goldenness of the crayon, brighter than the night.

The smooth rainbow coat, wet from the rain.
The small blue cube, the size of your thumb.
The redness of the rucksack, that is angry.
A green welly boot, covered in mud.

The beautiful butterflies, as gentle as the sea.
Covered in leaves, the funky friendship tree.
The purple, blue flowers rising up to the sky.
The multi-coloured calming box, helping us not cry.

The peach, rhyming kangaroo, soft to stroke.
The multi-coloured pencils, drawing the cork oak.
The blue paper butterflies, quietly watching the fun.
The golden shiny horn, sparkling bright like the sun.

A stranger called this morning.
He didn't leave his name.
We now live in the shadows.
Life will never be the same.

by Class 1

Class 1 wrote a class poem all about a 'Colour Collector' during their poetry unit of work. First, they wrote their own poems. Then they worked collaboratively in small groups, using sentences they had written, to create a verse each. We worked together to edit the sentences so that some would rhyme. I hope you enjoy it. The class worked incredibly hard during the unit.

Mrs McDonagh

Class R were very lucky to raise caterpillars and see them turn into butterflies last half term, supporting our work on 'The Very Hungry Caterpillar' by Eric Carle. All 5 butterflies hatched ready to be released on 'Break the Rules' day and we threw them a little party, alongside our party for Mrs Lewis's birthday! We loved watching them change and grow and hope that they are very happy in their new home in our outdoor area. Thank you very much to Elsie and her family to providing us with this super opportunity!

If EU citizens miss the deadline, they could lose their existing rights like living and working here, access to free health care and benefits. If they have children, they may need to check if they need to apply for them too. Apply today at www.gov.uk/EUSettlementScheme

Sports Leader Training

On Wednesday 9th June Class 5 did sports leader training. We did lots of activities including 'Nemo Tag' and 'Mine, Mine, Mine'. Through these activities we were learning how to be sports leaders. We learnt that it is important to be at a similar height as the smaller children so you can get their attention. We had to learn to speak up, but not too much otherwise they might think they were getting told off! The class also had to learn to set up the games quickly and explain the game clearly so the children understood. Also, if they are nervous we will encourage them to help to build up their confidence. Through this experience, we were led by a wonderful person called Jane. All of year 5 really enjoyed this experience and can't wait to put it to work later in the year .
