

Dear Parents and Carers,
Well, we made it! The Easter holidays have finally arrived! Covid has had a big impact on our school, as with many schools and businesses in the local area, and this term has felt like a long one, but we are looking forward to a break and a rest, and we hope to see you all healthy and well on Monday 25th April. There is always lots to look forward to in the summer term! With best wishes for a relaxing Easter,

Mr R Stead

If only photos came with sound! After a couple of weeks of designing and making masks Class 1 enjoyed a marvellous mini Mexican festival where we were able to appreciate some traditional music while dancing and parading around the classroom. A good time was had by all (particularly Mrs Atterton and Mrs Cutler!).

Thanks to the MSA, the pupils had great fun today running and getting painted at the same time! A big thank you to Sinéad and her team for working hard all day to make sure all the children were daubed in a rainbow of colours. Well done to the children for participating so enthusiastically. We will let you know how much the MSA has raised for the school.

Selected children from over 20 schools took part in an event on Saturday 2nd April at Cotford St Luke Primary School. The weather was perfect and 94 children attended from 18 schools from Ilminster to Tiverton. The following 10 children represented our school: Rory Mc, Teddy, Lena, Harry S, Luke W, Missy, Anya, Faith, Nathaniel and Adri. Anya, Rory and Lena all medalled! Well done to everyone for taking part, you did Milverton School proud!

Milverton competed against Oake, Bradford & Nynehead Primary School in a school inter-sport netball match on Tuesday. Both teams competed very well and showed real talent and determination. Oake were the worthy winners winning 10-1 and took home the trophy...this time! All the children really enjoyed the event and we will look forward to a re-match in the summer term.

Year 3 had an enrichment session of table tennis this week. They started away from the table to get used to the equipment and looked at the ready position, throwing and catching the ball to each other. They then worked on the tables and looked at hitting the ball

downwards with their hands as the paddles to try control the ball onto the table. Moving onto hitting with paddles, they learnt to hit with control to return the ball on the table. The whole class showed great perseverance as they found it quite tricky. Kit got the wristband for most improved player with great perseverance and excellent team work in his group.

This year, to celebrate a new start, Milverton is going to get it's very own Maypole — Yeah! — garlands, crown, braids and all ! We may even crown a May King or Queen. So the call is out for all & any, both old & young, who would like to be taught prior to the day, traditional Maypole dancing, learning from a folk dance expert. Please get in touch.
