We are delighted to

have now received our

Newsletter No. 29 27th June 2025

Inspiring every child to achieve their full potential. Nurturing our children to become resilient, respectful and responsible global citizens

Dear Parent/ Carer,

As we had to postpone our Sports Day this week due to a wet field and weather Forest School Wednesdays conditions we have moved it to Thursday 17th July. We hope that you can make the new date and we are sorry for any inconvenience caused.

Please can I remind you of the importance of not taking your children on holiday during term time. Missing school can negatively impact a child's education, meaning they have to catch up on missed work and can increase gaps in their learning, especially in subjects requiring consistent progress. Please be politely reminded, parents who take their children on unauthorised term time holidays may be issued with a fine.

On a brighter note, the MSA are holding a Summer Party after school next Friday 4th July, we hope to see you there!

WILD CHALLENGE

We're awarding this to Milverton Community Primary and Pre-School

Beccy Speight RSPB Chief Executive

We are also delighted to have passed the Eco Schools Framework again! Milverton School has been an Eco-School since 2007 so we are proud to say that we have continued this commitment for nearly 20 years! It involves passing 7 steps which culminates in the children producing a Eco-Code for our school to act upon. Well done to all the Eco Committee and the whole school community for this achievement. A special thank you to Ms Boullin for all the hard work she has done towards our school continuing its ecological focus.
