FRIDAY FLYER

Newsletter No. 2
 18th September 2020

Dear Parents and Carers,

We continue to adjust to school life in these difficult covid-times. Our guidance from Public Health England and the Department for Education about when a child should not come into school is clear, and we need your support to keep everyone as safe as possible. So, if your child has ANY ONE of the symptoms below, please keep him/her **at home for at least 10 days** or until they have had a negative Covid-19 test:

- A new continuous cough;
- A high temperature;
- A loss of, or change to their sense of smell or taste.

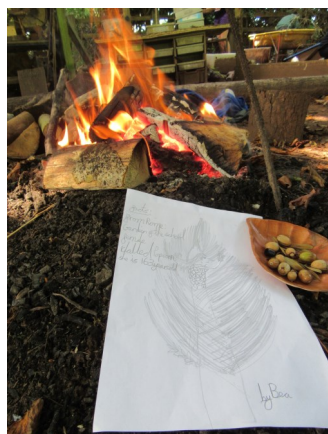

Their brothers or sisters must also be kept **away from school or pre-school for 14 days**, or until they have had a negative Covid-19 test result. Your child's teachers will supply websites for you to continue your child's education. If someone in the same household has a symptom, please test and keep your child/children home from school while waiting for the result. Please tell us as soon as you know the result of a test. For more information, please phone the NHS helpline on 119. Doing all of this will help us keep our school open, and the community as safe as we can. Thank you for your continued support.

Mr R Stead

On Wednesday 16th September 2020, Class 6 enjoyed a busy day at Forest School. We had lots of fun activities to do. We started by playing some PE games including the Milverton favourite of '1,2,3 Where Are You?' Next, we learnt a lot about trees and plants within our school grounds and had to identify different leaves in a game of leaf bingo. Then we had to choose a tree and think of clues to describe it. Our partners had to try and identify the tree from the clues. After break, we had to be creative and draw a spirit or a monster to guard our tree. Our drawings had to be detailed and show features of the spirit/monster because in the afternoon we had fun making clay models of them. In the afternoon we had time to reflect on things that we were thankful for and think of a wish. We shared these with our friends and enjoyed having hot chocolate around the fire circle. Finally, we were tasked with harvesting the apples in our school grounds. There were 3 buckets full! On Thursday, we had a chance to taste the apples and they were lovely and sweet. We also practised our peeling and cutting skills and chopped the apples into slices. We then used a food dehydrator to make apple crisps. The apple crisps tasted yummy! Thank you to the adults for a great day.

Diary Dates

Forest School Wednesdays:

Class 5—23rd September

Class 4—30th September

Class 3—7th October

Class 2—14th October

Class 1—21st October

Class R—4th November

Please can children wear wellies and bring in their school shoes to change into.

Bikeability Dates

Class 6—12 & 13th October

Class 5—15 & 16th October

Inset Day

Friday 23rd October

Half Term Break

Monday 26th to Friday 30th Oct

OUTSTANDING LEARNERS OF THE WEEK

Pre-School

Evie for her excellent sounding out and blending of small words! Wow!

Class R

Ffion for fantastic perseverance and determination and mastering the climbing frame.

Class 1

Amelia and Harry for being so enthusiastic and focussed in all their learning.

Class 2

Wilf for being enthusiastic in class and offering lots of answers in discussions.

Class 3

Iris for her detailed observational drawings of rocks in Science.

Class 4

Isla V for reading 5 books in a week! Bertie for always being so incredibly polite.

Class 5

Mia M for the perseverance and resilience she has shown this week.

Class 6

Bea for sketching an imaginative tree spirit during Forest School.
